## 2023-24 में जेवर एयरपोर्ट से सफर करेंगे लोग, ज्यूरिख एयरपोर्ट को मिला काम

न्यूज डेस्क, अमर उजाला, ग्रेटर नोएडा Updated Sat, 30 Nov 2019 09:46 AM IST

जेवर एयरपोर्ट के निर्माण के लिए ज्यूरिख एयरपोर्ट इंटरनेशनल एजी कंपनी का चयन तय समय में होने से 2023-24 में उड़ान शुरू होने की उम्मीद बढ़ गई है। यहां से सफर एक रनवे से शुरू होगा और बाद में जब यात्री बढ़ जाएंगे, तब दूसरा रनवे बनेगा।

यमुना प्राधिकरण के सीईओ डॉ. अरुणवीर सिंह ने बताया कि यात्रियों की संख्या और निर्माण कार्य के हिसाब से एयरपोर्ट के निर्माण को चार हिस्सों में बांटा गया है। पहला चरण 2023-24 में पूरा होगा।

पहले साल करीब 1.20 करोड़ यात्रियों के सफर करने का आकलन है। इसे देखते हुए एक रनवे से सफर शुरू कर दिया जाएगा। इसका दूसरा हिस्सा 2031-32, तीसरा हिस्सा 2036-37 और चौथा हिस्सा 2040-50 के बीच बनेगा।

सीईओ ने बताया कि 2031-32 में यात्रियों की संख्या लगभग तीन करोड़ सालाना होगी। इसी तरह 2036-37 में यात्रियों की संख्या पांच करोड़ और 2040 से 50 के बीच सात करोड़ यात्रियों के सफर करने का आकलन है।

इस एयरपोर्ट को बनाने के लिए जिस कंपनी का चयन होगा वह जरूरत के हिसाब से दो रनवे और टर्मिनल का निर्माण करेगी। उन्होंने बताया कि सर्वे रिपोर्ट में दो रनवे से 2050 तक की जरूरत को पूरा होने का आकलन है। अगर इस दौरान यात्रियों की संख्या आकलन से अधिक होती है तो तीसरे और चौथे रनवे का निर्माण किया जाएगा।

# Uttar Pradesh: Business hub to come up on 500 acres near Jewar airport

Shalabh | TNN | Updated: Dec 23, 2019, 10:11 IST

**GREATER NOIDA:** Nearly 500 acres of land in Sector 29 along the Yamuna Expressway will be used for turning the area around the upcoming Jewar airport into a business hub.

The project includes a 200-acre textile hub that could give a boost to the ailing garments industry in the city. It will also house a handicrafts park and an expo mart in the same facility.

The apparel park will have space for about 300 shops and is looking to attract investment worth Rs 3,000 crore, as well as tourists.

The cluster would act as a common facility for sale and export of furniture, hard goods, apparels, garments, fashion goods as well as jewellery items.

On Saturday, the Yamuna Expressway Industrial Development Authority (YEIDA) declared that the process to identify a consultant for the textile hub, being developed in consultation with Noida Apparel Export Cluster, has been initiated.

Tender Tenders will be floated soon, officials said.

The project is expected to come up next year.

Along with this, the the authority has also finalised plans to dedicate 300 acres of land in Sector 29 to establish a mall for micro, small and medium enterprises (MSMEs) along the expressway, in which 500 enterprises will be housed.

The mall will be used to showcase products developed or manufactured by small units.

The authority is considering inviting registered members of the export cluster and two dozen exporters across NCR.

YEIDA chief executive officer (CEO) Arun Vir Singh said the common facility will empower the local women as well. "We will take benefits of the government schemes to promote exports," added Singh.

Meanwhile, the authority has also approved plans to establish a skill development centre on a 2.4- acre land parcel in the city . To be developed by the state government, the centre will provide vocational courses to students interested in obtaining industrial training diplomas or certificates.
